Carnegie Mellon University
Electrical & Computer Engineering

April 15, 2026

Mr. Jean Claude Iradukunda
Kg 123 St
Kigali, Kigali 0000
Rwanda

Dear Clever,

I have the pleasure of offering you admission to the **M.S. in ECE - CMU-Africa** program in the department of Electrical and Computer Engineering beginning in the **Fall 2026** semester.

Program Information
This degree is typically completed within three academic semesters (summer does not count as an academic semester). For more information about the department's graduate programs, please visit ECE's website.

Student Induction Program
Prior to your enrollment at CMU-Africa, you are required to complete the Student Induction Program. This program equips you with knowledge and skills to prepare you for your graduate studies. Further information about the Student Induction Program will be provided in the last week of April.

Financial aid and scholarship award
We will inform you of the amount of any financial award when the funding decision becomes available. Only applicants who have completed the Financial Aid Assessment form will be considered for financial aid and scholarships. Please anticipate a correspondence to inform you of your Financial Aid award offer.

Cost of Attendance
Please review our Tuition, Financial Aid and scholarships to learn more about tuition rates, the sources of financial aid offered by CMU-Africa and its partners, and other applicable fees.

Next Steps
Your official next step towards confirming your admissions acceptance to Carnegie Mellon University Africa is to review and complete the instructions in the Financial Aid correspondence when it becomes available. Please anticipate receiving this correspondence by **April 30th**. To accept admission into the program please complete the steps outlined in your Financial Aid correspondence.

Questions?
If you have any additional questions regarding this offer or the program, please feel free to reach out to Tara Moe, ECE's Director of Admissions and Academic Affairs, or the CMU-Africa Office of Graduate Admissions staff.

In closing, I want to congratulate you on your excellent academic record. I am confident that you will find the ECE department at Carnegie Mellon a stimulating and warm environment and we are excited about the prospect of your joining our department. The faculty and I look forward to welcoming you in the fall.

Sincerely,

Lawrence Pileggi
Tanoto Professor and Department Head
